Date	June 2025
Date of Review	June 2026

Lincoln City FC has a no smoking policy in place which includes e-cigarettes. All supporters are politely reminded that the concourse areas, staircases, stands and hospitality areas are all smoke-free areas.

A smoking bubble for use by fans in the GBM Stand is located outside of the Red Imp bar. There is also a smoking bubble outside of the Stacey West (away) turnstiles.

Greenlinc Renewables Stand spectators can use Gate E2.

Smoking bins are provided in the Fan Village, outside the Legends Lounge and in the away fan section at Gate E4 alongside Turnstile 4.

Please note this is subject to change each game depending on the away allocation.

Thank you for your co-operations and continued support!
